

## Do Monkeys Tweet

1. Print pages 1-21 & cover either back to back or on single pages.
2. Print cut outs 1-2
3. Print on cardstock and laminate for longer use. Use Velcro or Alenes Tack It Over & Over to attach the cut outs while reading the story.
4. You can also print on regular paper and have students glue the cut outs and take home.

### Other ideas:

1. Think of other items for pages with cut outs.
2. Add your own pages using the same theme.

Enjoy!
